

Family Health Team

is currently seeking a

REGISTERED DIETITIAN (0.8 FTE)
Maternity Leave Coverage

to join our growing family health team. Our mission is **“To provide leadership and excellence in comprehensive patient-centred primary care through education, research, innovation and care provision in a collaborative, sustainable, inter-professional environment”**.

Our team currently consists of nurse practitioners, nurse educators, registered practical nurses, registered nurses, twenty family physicians, part time specialist physicians, social workers, family and marriage therapists, dietitians, and clinical pharmacists. We are associated with optometry and a chiropractor.

The Centre for Family Medicine's academic Family Health Team is comprised of four sites and is an integral part of the University of Waterloo Integrated Health Building as well as the McMaster Waterloo Regional Medical Campus. We work in a fully computerized environment and encourage continued educational experiences.

The Dietitian works in a variety of capacities including providing medical Nutrition therapy for patients with chronic diseases and episodic illness, assessing nutritional status by gaining an understanding of food habits and/or preferences and clinical profile, consulting with physicians on an individual patient basis, conducting patient workshops and seminars, and participating in various clinics, such as the Diabetes Clinic. The position will be best suited for a CDE or for a RD with significant experience in Diabetes and wishes to work in an interdisciplinary DM clinic.

Qualifications and Experience:

- Relevant degree
- Current registration with the College of Dietitians of Ontario and Dietitians of Canada
- Minimum two (2) years experience as a dietitian in a community setting preferred
- Demonstrated ability to work collaboratively
- Demonstrated ability to work within scope of practice
- Demonstrated ability to work collaboratively with multiple family physicians as well as other Allied Health Professionals
- Demonstrated sound clinical judgment skills, excellent health assessment skills, diagnostic and therapeutic skills
- CDE (Certified Diabetic Educator) preferred, but not necessary
- Vulnerable Sector Check required

At the Centre for Family Medicine we strive to offer an exciting and caring work environment. If this position is of interest to you please send your letter of interest and your Curricula Vitae to:
