

Notice to Patients

September 2022

You are under the care of the Centre for Family Medicine FHT for a program you have been referred to. We run many programs at the Centre, including:

- Regional Memory Clinic
- Refugee Health Clinic
- Mobility Clinic
- KW4 Community Ward
- Partnership for Mental Health Services

We store your patient data in our Electronic Medical Record. This means if you are referred to one or more of the above clinics any member of the CFFM team that is involved in your circle of care, may access your information and have access to your chart in order to provide care to you.

If you have any questions, you can read our full privacy policy at www.family-medicine.ca under the "Your Privacy" tab or contact our Privacy Officer, Jenn Metzloff.
